Message from the President

A happy and healthy 2022 to all our members, old and new. I really hope that you like our new name and that we get used to it before long!

What a two years we have had, but I sincerely hope you have all managed to stay healthy and enjoy your gardens through these difficult times. Like many of you, I have used the time to practise growing to a higher standard (the proof will be for all to see on the show bench hopefully this year!).

I'm sure you will be looking forward to our meetings and the speakers throughout the year and trust that we will be able to enjoy a full programme.

I would like to say a big thank you to all our members and our committee who I'm sure you all agree do a sterling job on behalf of the club.

Hoping for reasonable and favourable weather conditions in 2022.

Bob Coutts
President

The Waveney Gardeners Club

The Club was founded in 1911 under the name of the Oulton Broad Gardening Association. It is known that all activities were suspended during the 1914-1918 war years and that the Association was revived in 1919 in new headquarters at the Rock Institute in Oulton Broad. In 1936, the Association became the Oulton Broad and District Horticultural Society, this was amended in 1977 to the Oulton Broad and Lowestoft Horticultural Society. At the 2021 AGM the club name was changed to The Waveney Gardeners Club.

From 1948, the Society held three shows a year, an early summer show in July, a summer show in August and a late chrysanthemum show in November. The Society's Golden Jubilee was celebrated in 1961 with a very successful show in Nicholas Everitt Park on August Bank Holiday. The then President, Mr. Malcolm Humphrey, gave a magnificent silver punch bowl, to be known as the Jubilee Trophy. This is held for one year by the exhibitor with the highest number of first prizes in the Summer Show.

The monthly meetings have a wide variety of speakers. The Club organises various visits and previous trips to Wisley, Hyde Hall, East Ruston and Kew Gardens were very successful.

Through the generosity of many local businesses and individuals, we have sponsorship of events and storage of equipment.

The Waveney Gardeners Club is not a profit-making organisation but the committee arrange various fund-raising activities throughout the year in order to cover expenditure.

The Club holds its meetings at St Luke's Church, Homefield Avenue, Lowestoft NR33 9BX. Meetings are held on the third Wednesday of each month from January to July and September to November. Meetings start at 7.30 pm and there is a small entry charge to help defray the cost of hiring the hall; a raffle is organised and refreshments are served mid-way through the evening. (See meeting details on page 2)
